“ I was always remember the kind nature of Carolyn and the many recipes she shared with her daughter Margaret who in turn shared with her Nebraska friends. My favorite memory of Carolyn is the tip of the one finger that would just slightly stir her drink and then the tap on the edge of the glass - classic Carolyn! She will be missed - Blessings to all her family and friends as they remember her and mourn her loss.

“ We were so shock to hear of Carolyn's passing. She was a friend to all. What always impressed me was her caring nature. She was always there to help a friend in need, plus she was so good keeping in touch with friends in need after they moved away. When we lived in Horseshoe Bay I enjoyed socializing with her, seeing her at church and being in stock club with her. Our love and prayers to Richie and the whole family. She will be missed.

“ The image of you blowing kisses from the driveway is forever etched in my memory. You were my idol, you took me to Read's for a coke and to see all your friends. You looked so stunning on the stage in the Miss Lufkin pageant. You and Richard were the most hip couple I knew, and your Christmas presents from Nieman's were the best. What a joy to have you so close these past few years. I love you and will miss you greatly, but you will always be in my heart.

I love you, Cann
