“ Dear Family,  
*I am so sorry about the loss of Carolyn Woodson. She was a very special lady, with a kind heart and a strong Christian spirit. I'm proud that I could call her my friend. We worked together at East Side, and I always enjoyed our delightful conversations. I miss her wonderful sense of humor and her wisdom. I know that her family was the center of her heart, because she spoke lovingly about one or more of you every day. I shall miss her. Ruby Hunt, Teacher's Assistant*

“ Dear Family,  
I am so sorry for your/our loss. Mrs. Woodson was a loving and caring friend that will truly be missed. She brighten our day at East Side, especially my classroom. I would watch her as she worked with our students each day. It was her joy! That smile was infectious as depicted in the photo that you have displayed. She always had kind words. When Zach and my son Chris played football together for the Indians, we had endless stories to share. We were so proud of them! Until we meet again, missing you sweet friend!
