“ I don't know if you remember me, but I was your nurse at Children's on the day you transferred to Texas Children's. I will never forget that day. I am so sorry for your loss. We were all shocked and very saddened to learn the news that evening and just wanted you all to know how much we care and ache for you. I pray the Lord will comfort you and hold you, and know that I will never forget sweet Cason.

“ *Inner Tempest Stilled*
by Beenie Legato

*Sometimes I sense a little flutter.
Like a shadow swiftly slipping by.
Or I hear a silent, gentle murmur.
Like a soft whisper from out the sky.*

*Sometimes... I hear you call my name,
Or clearly see your face before me.
And I feel that you are with me still.
Then peacefully... I come to know*

*As I am thinking happy thoughts of you
You, my son, are thinking of me too.
Loving memories fill my aching heart.
As dreaming dreams of what could be.*

*Or might have been, if you were here.
Until the piercing pain of losing you
Comes tumbling down on trembling fear.
And clearly once again I hear you say,*

*"But Mom? What if I had never been.
You could not then in LOVE remember me."*

*Dearest Shelby,
My thoughts, prayers and any strength
I can lend are with you.
