“ Very sorry for the loss of such a wonderful woman. Although we
were just friends at St Francis, I wish I had known her better. She
was always so cheerful and optimistic.
I did enjoy our conversations. Just a couple of weeks before she
actually announced her retirement from being Admin Asst, she said
she was going to take a week or so off. She said she was going to
"practice being retired!"
She will be missed!

Cathy was a dear friend, optimistic, encouraging and she always greeted me with a joyful smile. We shared so much laughter when we were together. I wrote her funny poetry and she was my greatest fan. There are some people who come into your life that stay in your heart forevermore. She is one of those people. I have spent these few days after her loss "remembering" her singing, her sense of humor, her life stories and the fun we shared. I called her "Chickie" because she enjoyed hers so much and even gave them names. I wish she could have stayed longer but I know she's with the angels watching a Rangers' game. She always said (as she faced various illnesses") that "The Lord and I have been on good terms for some time now." I know she was ready to go even as we miss her. Our sympathy to her family. She talked about you lovingly and often so I know your names. God bless and comfort you.

I can remember fun times with Cathy at church, at her home with the chicks and don-kays, and even in the hospital. I'm blessed to have known her, and will remember her joyful spirit and good nature.
