“ *My heart is heavy because Quay is no longer with us and because I know that all of you in her family are suddenly bearing a burden that seems too heavy to shoulder.*

*I remember some sweet times with Quay a few months ago as we talked about the best ways to partner with churches in East Texas to increase blood donations. Her simple and real faith was evident in her face and words. I will cherish those memories of her.*

*May the Lord show you His strength in this time that far exceeds your own. My love, prayers and support are with you all.*

“ I'M FREE

*Don't grieve for me for I am now free.  
I'm following the path God has laid, you see.  
I took His hand when I heard His call.  
I turned my back and left it all.*

*I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone may stay that way  
But I found the peace at the close of the day.*

*If my parting has left a void  
Then fill it with remembered joys.  
A friendship shared, a laugh, a kiss oh yes!  
These things I too will miss.*

*Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I savored much;  
A loved one's touch.*

*Perhaps my time seemed all too brief  
Don't lengthen it now with endured grief  
Lift up your hearts with love and peace,  
God wanted me now...He set me free...*
