

Cecil Edward "Mouse" Hearn

May 10, 1961 - February 9, 2017

Memorial services for Ed Hearn, 56, of Dallas, will be held on Monday, February 13, 2017 at 3:00 PM at Stewart Family Funeral Home with Rev. Russ Leonard officiating.

Mr. Hearn passed away February 9, 2017 at his residence in Ft. Worth. He was born May 10, 1961 in Dallas to Benny Jeff and Helen Joan Jewett Hearn.

Ed grew up in the Dallas area. In 1982, he was involved in an auto-train accident from which he was not expected to survive, but through the Grace of God, he lived and became an inspiration to many people through his determination to succeed in life. Ed graduated from North Texas State University with a business degree. He was a home-owner and worked every day. Even with all of his disabilities from the accident, he was determined to be a normal, productive person in daily living.

Ed enjoyed lighthouse figurines and cheering for the Dallas Cowboys. He was a loving brother to all of his siblings.

He is survived by his loving family including his mother, Helen Joan Hearn of Tyler; father, Benny Jeff Hearn and wife Barbara of Kaufman; siblings, Benny (Brad) Hearn, Vernon Neil Hearn, Nelson Hearn and Stephanie Leonard; and numerous nieces and nephews.

In lieu of flowers, memorials may be made to the Brain Injury Association of America, P O Box 7416, Merrifield, VA 22116-7416.

Ed Angel was a dear friend to me. I met him one day while running late for court. I parked in the parking garage he worked at downtown. After court, it was then I realized that I parked in the \$20 spot, not the \$5 spot. I had \$5 on me. Ed paid the other \$15 for me and told me to come back when I got paid. I came back on payday and that is when our friendship began. I call him Ed Angel because he saved me that day. He trusted me. A complete stranger. Although I haven't seen him in some time now, he allowed me to store my washer and dryer in his garage because I didn't have room in my storage unit. He has been a dear friend to so many, I am blessed to have known this man. What an inspiration. I love you Ed Angel. You have your wings. Fly. Veronica Fields

“ I met Ed about 10 years ago when I was running late for court. I parked in the parking lot that Ed worked at. As I was leaving court, I realized I parked in the \$20 spot, not the \$5 spot. Ed paid the other \$15 and told me to come back on payday. I did and that's how our friendship started. He was the most caring, loving friend a person could ever have. He helped me that day, complete stranger, and in doing so I called him Ed Angel from then on. He saved me that day. I am forever grateful for the times we had spent together. He allowed me to store my washer and dryer in his garage when I ran out of room in my storage unit. He had a heart big as Texas. You have your wings now Ed Angel, fly brother. Until we meet again. Love forever, Veronica Fields

“ I don't remember a specific memory, just a general sense of them about my cousin Ed. He was older than me and lived in a different state. Yet I thought he was the cat's meow growing up. I was heartbroken when I heard of his accident and remember thinking not my sweet, fun cousin who was so full of life & laughter. But that tragedy in his life didn't take those wonderful qualities from him....they were bolstered by it! I regret that I haven't seen Ed in many years, but feel blessed that I got to spend whatever time I did with such an ornery, sweet, and special soul. He will be missed greatly.

“ My heart goes out to all of Ed's family! I remember his impish smile and "can do" attitude as he tagged along with his older brother Benny. He could show his sharp wit and had some sassy come backs, too. They say that terrible things happen to the gentlest souls to teach all of us humility and faith, and "Mouse" did just that. Rest in peace.

My heart goes out to the Hearn Family and many, many friends on this sad occasion. There are special people in this world that are here to make others feel better. Mouse was one of those people. He always had a kind word and a beautiful smile. Even when he was recovering from his terrible accident, he had a way of making others feel better. I have thought of him often over the years and finally caught up with him on Facebook. I am so glad I did. Rest in Peace dear, sweet Mouse, Til we meet again, I will still think of you often. I love you and am so glad I knew you.

“ The Best Man with the Biggest heart and brightest smile. His handicap only pushed him further forward with the determination to live life to the fullest. When chips were down for a friend he always made the extra mile easier with his advice and prayers. Sage wisdom and thoughts of better days were always his forte and nothing seemed to slow him down. I grew to love this man as a friend. He was always there when I needed to talk. I will miss the chats but, Thank you, Dear Ed, you will always be an Angel watching over me.
I have made a donation to the Brain Injury Association of America in your honor!
