“ Chuck has been a dear friend for almost 40 years and although I didn't see him as often as in the early years, I always knew he was there. He was such a good person, and I loved him dearly. I will miss him forever. My thoughts, prayers and love go out to his family.

“ To Brenda and the family: I am so sorry and hope you are healing. Chuck stood by me during what turned out to be the worst point of my life. He was like a father to me. I recently gave birth to my first daughter, and am deeply saddened that Chuck will never meet her. Your family will always have a special place in my heart. I pray for your strength and the Lord's guidance as you adjust to life without him.
