“ I worked for Charlie at Charlie West Chevrolet in Hillsboro Texas from 1985 till 1992. I grew to admire Charlie and his lovely wife Mary for their commitment to each other and their dedication to the business there. Charlie taught us all about honesty and fair business practice, which is a rare trait in that industry. His integrity and virtuous outlook reminded everyone of exactly what our mission was on a daily basis. I will always think fondly of Charlie and will hold his memory deep within my heart.
