“ Dawn & Robert,

*It's been many years, but I have never forgotten Charlotte. She was always such a sweet sweet lady. Takes a special person to allow 4 silly giggling girls into her home on OVER street as much as she did. Some of my fondest memories from my childhood include Charlotte. I was so saddened to hear this morning of her passing. Please know you and your family is in my thoughts and prayers during this difficult time. May God bless you all and may Peace be with you all. Heaven gained a wonderful woman.*

“ Mom,  
You had unconditional, never ending love. You had a smile that warmed the coldest hearts. You gave a lending hand to the weakest so that they had strength. Your laughter was contagious. As my heart is broken and my eyes are filled with tears, I know God has a perfect place for you at his table and you have the most beautiful angel wings one could have. I love you and miss you.

Dearest Dawn and Robert,  
I am so deeply saddened by Charlotte's death. You three were and remain family to me. Some of my most profound memories were made with you. Charlotte was always the standard of class and composure for me. I still can recall so many ways she influenced me. My love and prayers are with you. I wish I could be too!  
Always-
