“ *Angie, Steven, & Ryan,*

Words are challenging for something this difficult. Chase was a beautiful person inside and out and had a promising future. He was very loved because it was easy to love his soul and who he was. But just as God has him now, for whatever His purpose for taking Chase at such a young age is; He also has you guys and your family and friends impacted from the loss of Chase. I will continue to pray for your comfort during this time of great grief and will be here for anything you need.
