“ We are sorry to hear of Cherrie's death. We enjoyed the friendship of Cherrie and Carroll for many years. We knew them for several years before we moved to Tyler because our children were in college together. After we moved to Tyler we spent a lot of time with them here, and also enjoyed visiting them at their summer places. Spending time with them in their Pagosa Springs house was a treat! We always enjoyed the picnics at Williams Lake. We were at their Colorado place when Hurricane Rita hit Louisiana and Texas in 2005. We watched lots of television that weekend! We also spent some time with them at the Linville Land Harbor cabin in North Carolina in 2007. They were always great hosts and even better friends. We've missed them since they moved. We send our sympathies to Carroll, Ray, Dan and all the family. ----Wayne & Bitsy Berryman
