“ I remember when Christi and her family moved to our neighborhood several years ago, Christi organized an incredible block party. Through her efforts, we had food, fellowship with neighbors that we had never met, and even the police and fire department attended. I was in awe of her and knew that she was a special lady. Our thoughts and prayers are with her family. ---Carl and Holly Shotts

“ My husband and I had the privilege of spending some precious time with Christi and her husband J.D. at a Vernon E. Faulconer, Inc. family picnic several years ago. With Christi's steadfast, strong Christian faith, I have no doubt that she is sitting at the feet of our Lord and Savior, and enjoying every moment. She is free from all her pain and suffering, and we will see her again. Love, Joe and Sharon Claxton
