She was my middle school PE teacher and coach. She was always kind to me and helped me feel good about myself. I appreciated how she managed her class. I felt safe with her. My condolences to her family.

“ *Our sweet sister Cindy has gone to that greater reward! My first meeting with Cindy was as SRSU where I was a pledge to Phi Mu! What a vibrant, beautiful and kind lady she was and made all of us feel so special. Through the later years we were privileged to get together for SRSU reunions and have exciting times and visits at Homecoming!*
To Cindy's family, thank you for sharing this wonderful lady with us, We will miss her terribly but know that she is at last at peace.

God bless all of you

“ She was a beautiful mom and a supportive mother in law. She was opinionated but understanding and always someone I could run to and vent. I'm not sure who will understand some of my life pains like she did. I love her so much and hope one day I'll have grandkids that adore me like my children did her

“ I met Cindy at Sul Ross when we were fraternity sisters. She had a warm personality that put others at ease and a smile that would light up the room and make you feel welcomed. My sympathies to the family, she definitely earned her wings during her life.

“ My deepest sympathy to her whole family. When Sue Ann & I were in High School, we all had Cindy perform dance & acrobatic routines for us. She was vivacious, a great dancer, and had a personality to match. I can still see her back bending effortlessly, and her rhythm was contagious! What memories. RIP sweet lady. You will be missed! “ Cindy was a valuable and loved faculty member at Hubbard Middle School. I had the privilege of being her principal. She was always quick to help with anything we needed for students. Her P.E. classes were loved by students and she was a great coach for competitive sports. I'm so privileged to have known and worked with her.

“ I went to Sul Ross with Cindy in Alpine, Texas. She was in my sorority. I remember Cindy as the life of the party with her smile. A room always lite up when she came into it with her energy and her winning personality. She was always a smile and lots of fun to be around. How lucky all of her children and grandchildren were in having such a vibrant grandmother with such a gift of magic in what she did and how she did it with such fun and love. We will miss you. Hope to see you upstairs some day!
