“ *My mom was a amazing woman, she had a heart of gold some would say, she worked until the day she died. She loved her children, she never gave up on me and my brother and fought to show us the right and wrong ways of life. She is much loved and will always be remembered not only by me her daughter and her son , but by those who's hearts she's touched each and every day!! May you rest in peace mom , I love you and miss you so much,*
