

## Clifford Steve Green

March 2, 1950 - July 31, 2024

Steve was born March 2nd, 1950, in Shreveport, Louisiana, only because there was not a hospital in Elysian Fields, Texas. He passed away July 31st, 2024, in Tyler. His parents were Daly and Doris Green. He was in the bread business for most of his life becoming President of Flowers Baking Company, Tyler. After that career, he and Nancy purchased Texas Cash Register in Tyler. They had a great crew which allowed them time to travel and go to conventions. At one convention in Aruba, the US Golf team was full, so the international team said, “Come on Steve, you play with us.” – Texas was its own country.

Steve was a big man in every way – stature, love of life, and capacity to love. He was preceded in death by his parents and two brothers, Dale and Tommy Green.

He is survived by his wife, Nancy Spain Green; five children, Shannon McClendon, Steven Green, Terri Green, Wendy Tito and husband Jim, Rodney Warfford and wife Maroulia, and like-a-son Ryan Searle; brother-in-law Bill Spain and wife Kim; niece Carly Spain Betz and husband Noah Betz; nine grandchildren, Rachel Shirey, Chase McClendon, Cal Green, Jemma Hart, Crosby Hart, Ryan Ramirez, Brandon Llewellyn, Dylan Warfford, and Connor Warfford; and one great-grandson Remy Ramirez.

The service will be Saturday August 3rd, 2024, at 2:00 p.m. at Emerald Bay Church with Rev. Danny Cullins officiating. Burial will be Monday August 5th, 2024, at 10:00 a.m. at Cathedral in the Pines in Tyler. Pallbearers are the "loved ones" Wayland Crawley, James Lloyd, Jeff King, Sherif Sharawi, and Terry Vining.

“ *The first week I met Steve, I'm not gonna lie, I wasn't a huge fan to say the least. I sure didn't think he would be a person that would shape my life and more importantly the person I would become.*

*However after working with him and then from him, I can truly say he made a difference in me, that helped change how I saw myself and what is possible.*

*I've never worked for a man I respected more or learned more from. I surely wasn't alone in this, as I got to witness how he helped young men become their best version and to dream big, like my friend Ryan.*

*I'll hold dear my memories and lessons I've had with him, not to mention dozens of saying and stories. So if you ever find your self at Commanders Palace in New Orleans, and the waiter asks if you would like water. Tell them Hell No, Don't you know Fish Screw in that Stuff!*
