“ *It seems like yesterday you boys were running around playing. At one time Brayden & I were a constant in your life. There are so many memories of you as a child, that it really is hard to think of just one. To me this would be the most memorable. I would hug Michael and you, giving you guys kiss's and tell you to always have love in your heart. Michael & you would laugh and run from me. Then one evening, I had a palette on the floor watching a movie with your mom. You cuddled up next to me watching the movie and went to sleep. I remember thinking to myself. "Yes"!
May God hold you close in his arms while filling your spirit with love, and we shall meet again. Rest in peace sweet boy.*
