“ It was my pleasure to know Connie. Her gentle and joyful spirit will be terribly missed by all who were blessed to know her. For me it will be especially hard on Sunday mornings because her smile was a comforting constant in our nursery at Colonial Hills that I took for granted. I will always picture her there loving on so many babies and greeting everyone with her beautiful smile. I am praying for all of the family. Carol and Caren you are all so loved by God and by me.

“ I met Connie when we were preteens as she lived catty corner to my grandparents back then and lost contact in our early 20's. She always had a childhood soul with an equally mischievous side in the best way possible and I will always cherish those memories that combined the two because that was the best kind of fun. Thank you and love you Connie!

“*Connie was a bright star that God placed where, through her, His light could shine for so many. While some people have trouble identifying their gifts or talents, Connie had no trouble finding and sharing hers from the seat of a rocking chair in the Colonial Hills pre-school hallway. Over the last eleven years as she held and rocked so many little ones, she offered smiles, hugs, and words of encouragement to co-workers and parents. The members of the Parent's Day Out Team offer our condolences to all of her family, the teaching staff of Colonial Hills Pre-School and PDO program, as well as the many hundreds of parents and children who were blessed to have known, and been loved by her. We pray you will find comfort through sharing precious memories of her, and allowing the light she shared so very well to live on.*

“ I met Connie 6 years ago when our daughters were in the same kindergarten class. Connie was always so nice about everything and yet so “real” at the same time. Haha. We enjoyed making Christmas cookies these last few years. I have been praying for everyone in her family.
