“ I am so sorry to hear of the passing of Bobbie. Our dads knew each other as we were attending Lee H.S. I know she is in a better place and we will see her again some day to sit down and visit once again. The last time I saw Bobbie was years ago with my mother in Whitehouse in the old Baptist church in her shop. We had about an hour visit. Again, I am so sorry for your family's loss.

“ Bobbie, when I met you years ago, I knew you were going to be my special friend. Although, we were never able to have a verbal heart to heart talk, I felt we communicated through our love of animals, birds, flowers, airplanes, music and our short walks. I will miss you and your sweet smiles. Gerald, you were the best caregiver. Your love for Bobbie was shown in special ways and I know she knew it too by the way her eyes would light up and a big smile appeared when you came into the room. Our prayers are with you. “ *Gerald, I am so sorry for your loss. I have not seen you and Bobbie
for years even though we live so close. I always think of you and
Bobbie when I drive through Whitehouse and recall the many days
and nights of programming as you helped me start my business. I
have seldom met a kinder hearted couple than you and Bobbie. You
were both a positive influence on my life. Bobbie was always so
pleasant to talk to and always had a smile. I know she is smiling
down on all of us now. My prayers are with you.*

“ *Martha, Mrs. Burns:
I am so sorry for your loss. I remember good times at your house when Martha and I were friends and Bobbie was the "big sister", sitting on her bed, reading a book! I know she will be missed.*
