I may not be able to be there in person today to say my good-bye but my heart and thoughts are with each member of the Maness family. I will always remember you as Dr. Curt, and how you truly cared for each person you touched. I know you are in the presence of Jesus today and will be able to give my mom a good hug today. “ *Our thoughts and prayers are with you during your time of sorrow. It is so hard, but we must remember that the tear we cry are for ourselves, not for Curtis. Curtis is with his Heavenly Father and I feel better knowing that he is up there looking down on all of his friends and family.*

We love each of you and will be here for all of you. Wish we could be there for the celebration of your incredible father's life. We loved him more than words could say...

“ *May thoughts of all your mother meant -Of love she gave, of good times spent -Bring you peace and comfort, too, And keep your mother close to you. Though the ones we love may leave life as we know it, in our memory, the love we know will always carry on. Our greatest sympathy. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
