*We know how much Bubba meant to Daddy, Chub Milner. He meant a great deal to us, too, during and after Daddy's long illness. Bubba was so much help and comfort for us. We shall remember his humor and love for his friends and co-workers at Cameron. He was such a joy to be around; a good and true friend; a gentle and good man. We all share in your grief, but hope you find peace knowing his soul is with others that have gone before in the presence of our Maker. We are so sorry for your loss.
