“ *Bro Dale made such a positive impact on our family. The way he delivered God's word was a gift. He was genuine and kind and true in what he believed. He baptized our daughter and me. Even though I had been baptized years before, I was moved to renew my faith. Bro Dale officiated the funeral of my brother in law whom he had never personally known but after sharing stories he gave us such peace. I pray Mitsy and family have peace knowing his memory lives on in the lives he touched.*

“ Brother Dale visited Celebrate Recovery at Saddleback Church and he told me that it was one of the most Spiritual Experiences that he had been a part of and wanted to bring his sweet wife Mitzi with him next time so they could share it together.

He married my late husband Fred and I and he was so patient and kind always to me - always had a hug, smile and words of encouragement. I will miss him dearly - He was a big soft teddy bear.
