“ *We would like to send our deepest condolences to Shirley and family. I've got a few great memories of spending time with Dan. My favorite was every time we would go out golfing, Dan would finish up on #7 & drive straight to #9 skipping #8 completely, for reasons only those of us that golfed with him know. Golfing with Dan & Jack were full of laughter and just pure fun no matter how bad we were doing. Other great memories of Dan was when he would call to let me know his onions were ready be picked & to come over and help myself. He was also the first person I ever fished in a tournament with. I've missed you buddy ever since you got sick.*

“ *Shirley, we were saddened by the news of Dan's death. I didn't know that he had been sick. I have so many memories of times spent with y'all in Nacogdoches in our younger years. I wish I could be there for you now as you were there for me.*
