“ It is with heavy hearts and reverence that the Ortega-Duchicela family mourns for the loss of Dana Regester. Even though the majority of us never had the privilege of sharing our daily lives with her, Chasca’s glowing words about her charisma and her genuine kindness have given us a glimpse into what it is that Brook Hill School must continue trudging forth without: one of many shining beacons that helped shepherd those in dark times.

Dana spoke and wrote to us about our son Chasca when he was beginning his freshman year at Brook Hill. He felt peace and joy and we feel blessed that she and her family were in Chasca's life and she confirmed that we had made the right decision to have Chasca at Brook Hill.

We were greatly touched by “Mrs Regester” and it's our deep sentiments of gratitude that we want to express to all of you how extraordinary a woman she was and what a loving genuine human being she has been to all members of The Brook Hill Family.

Our family extends our humble words to Dana "Mrs Regester" in company of Jim, Kyle, Ashlee and Amie. Our thoughts and prayers are with you always.

“ The first time I met Mrs. Regester was when Kyle drove me to his house for my first practice with Kyle's team. She greeted me with her smile and I already felt her kindness and gratitude that would come in time. Mrs. Regester has done so much for the soccer team and in no way can I ever repay her. May she rest in peace. Chasca Ortega

“ I went all through out our school years with sweet Dana. Just in passing and a little small talk through those years... always a smile on her face and never a judgemental bone in her body. Years later she came to get her hair done, only a little trim every blue moon but, we laughed and shared how we were getting older and how everything was shifting.lol What a sweet spirited lady she was... My heart aches for her family... Truly a devotional wonderful family sweet lady. May God be with you guys and know what a ray of sunshine she will always be....

“ *So many happy memories, Dana was committed to her faith and family. Dana also had an amazing ability to locate sketchy laundry mats so that the Fireballs would have clean uniforms! Wonderful memories that make me so thankful for knowing her and sharing the whole soccer mom experience. I had the opportunity at the Wal-Mart photo kiosk to catch up with Dana 2 weeks ago, she was glowing with pride about Kyle's scholarship and all that was going on with Jim and the girls, I am thankful for that last visit for sure. Continued prayers for those left behind and I look forward to seeing you again sweet friend.*
