“ *Danny was a great man. Really enjoyed working with him. He was taken way too soon. Our hearts go out to his family.*

“ *Danny was a guy that could literally fix anything and was a plethora of knowledge. From motorcycles and vehicles to carpentry, there wasn't a single thing he wasn't well rounded at. I learned a lot from this guy when I was younger, and those are memories I'll be able to cherish forever. God speed my friend*
