“ Danny will certainly be missed, his passing will leave a void. He was a great neighbor and friend for many years. I am very lucky to have spoken to him several weeks ago. While it had been a few years since I saw him, there was no gaps in our conversation, it was if I had just seen him yesterday. I could always count on Danny to shoot first and ask questions later. Our condolences to Danny's family.

Loved him, enjoyed him, wanted to hit him over the head at times....so glad my last vision is of him smiling like a little fiend, belly full, happy and feeling spunky. “ *I have known Danny for close to 38 years....He is adored by his little sister...and looked upon as a big brother to me...Danny was one of the most colorful characters I have ever known....Today the colors of the world are a little less brilliant and the world a little more drab without him....He will be missed....*

“ Although Danny and I only met 3 or 4 years ago we became instant friends. We spent a lot of time together from our daily walks around the neighborhood to our weekly fishing trips. Danny was one of a kind, a true friend who had a huge heart and was always there if you needed a hand. He spent many hours helping friends and neighbors. I feel blessed to have known Danny. His loss has left a deep void in my life. I will truly miss and never forget my dear friend and the wonderful time we spent together. Our prayers have been and will continue to be for Gloria and her family in this time of great sorrow.
