“ *I always smile when I think of Darla! We were part of her teen age years in Mt Pleasant youth group. I remember her as a happy, joyful young lady with a little bit of mischief mixed in! There was much laughter and fun during those days. We grieve with her family over her leaving so soon. But we have hope that Darla is delighting in heaven and will be reunited one day with family and friends.*

“ When I first met Darla, she was dating my brother, C. Patrick White. I was at their wedding and knew how much they loved one another. She was beautiful, outgoing, perky, loving, helpful and kind to all. She was taken suddenly at 54 when she should have had so many more happy years with Pat and their boys. We will miss her terribly.

“ On December 19, 2019 Darla's last words to me were, "I am truly thankful." This I know she would say, Do not weep at my grave, for I am not there, I've a date with a Butterfly to dance in the air. I'll be singing in the sunshine, wild and free playing tag with the wind while waiting for thee. Darla you will be missed.
