

David Wayne Baxter

July 31, 1952 - March 15, 2016

David Wayne Baxter, DVM was born July 31, 1952 and died March 15, 2016 of complications from pancreatic cancer. He was educated in Tyler public schools, graduated from John Tyler High School in 1970, and enrolled at Texas A&M University, where he graduated from the College of Veterinary Medicine in 1975. For 36 years, he worked in clinical veterinary practice in Dallas before retiring to his hometown of Tyler in 2011. David is survived by his wife of 38 years, Karen; his three daughters Tori (Josh), Bree, and Kelley (Scott); his parents David L. and Billie Jean Baxter; and his brother Ken and sister Debbie and their families. If desired, memorial donations may be made in David's name to The St. Paul Children's Foundation, 1358 E. Richards St, Tyler, TX 75710, or to The Holt Veterinary Clinic Scholarship honoring David W. Baxter, DVM at Texas A&M College of Veterinary Medicine by calling 979-862-2984 or going to <http://vetmed.tamu.edu/files/vetmed/giving/ways-to-give/cvmgiftform.pdf>.

*Even as a little boy--he had a beautiful smile--We started first grade together and graduated High School together--I am so glad that he came to the 40th reunion with his sweet wife (wish we had stayed in touch)---I sounds like he had a wonderful and blessed life---Praise the Lord for "a Life well lived"---

“ *I knew Dave thru Holt Vet Clinic. In fact, I had the privilege of being in Dave and Karen's wedding.*

My sincere sympathy to Karen and their children. What a loss. Dave was a good man.

Barbara Woodruff Taylor
