“ Tracy and family,
We are so sorry to hear about your dad. It is so hard to lose a parent but the happy memories will make it a little bit more bareable. You all are in our prayers and I know that the lord will walk with you to give you peace and comfort during this time.

“ Dear Virgina and family : We love David and we will miss seeing him very, very much. I have been in David's Bible Study Class for a number of years.We enjoyed him so much from the teasing and poking fun at each one of us to the sharing of his faith and knowledge of the Bible to the fun stories he would tell us about Parker and JimBo. He loved all of his children and was very proud of each of them.He was so pleased with Dee and what he had become.His family, his church, his hunting trips and his golf meant so very much to him. I feel very priviledged to have gotten to know him and be part of his Monday mornings.No one can replace him , he is one of a kind and will be missed by many from the Forever Family. God Bless all of you, with love, Shirley Lindsay.

“ David was one of the "great characters of God."...he loved to argue, to aggravate, to tease. I can still hear his "belly laugh." I am quite sure that he is already ordering the archangels around up in Heaven, and organizing an Elder Board. Underneath his gruffness was a big, lovable teddy bear who loved his family and his church and his God very much.

Virginia and family....may your own memories of David bring you comfort...and may God touch you with His peace.

“ We were so sorry to learn of David's death. You are all in our prayers. Whenever we think of Trinity Tyler, and we do so frequently, David, Virginia & Dee are there. Brent said he played his first game of golf with David. We are so glad that Jon & his family are at Trinity Waco with us now. It seems that David's family is all around us. We pray that you can feel the strength of the Trinity family around you in these difficult days. God bless each of you!
