“ Dear Mary,
My thoughts and prayers have been constant for you the past few days. I wish I could be with you to offer a hug. Although Nurse Mary knew what was to come, how to prepare, and what to expect, I'm not sure anything in life could prepare Wife Mary for the hole that will be left in your heart. I know your concerns are for your children, but do take some time for yourself. And, do call if there is anything you need. I wish you peace and comfort.
Love, Susan

“ Mary & Children,
I lift your grief up unto the Lord. I know that your faith and love for God will carry you through this sad part of your life. Even though you know that your Husband & Father is in a happy place, you will have this empty place at the table. Know that we are all thinking of you all and that you will continue to be in my daily prayers.

Love to you all,

Arlllys
