“ From picking me up off the ground when I was about 5 after I fell off the dirt bike, sitting on the corner with all the guys looking tough to Terree steal your homework off the bus then making her give it to me are just some of the early memories I had. Growing up knowing you was special. You were a kind and gentle soul but also a great warrior in this life on earth. I know you were loved by all and will be missed just as much. RIP Big Booth! Will always miss being called Lil Adams again.

“ Oh my friend David, that beautiful hair I used to cut. Spent many a night taking and laughing. All the girls were in awe of you. Of course I thought you were handsome, but I saw through that and saw David. I will miss you friend. Lord lift David's family up and embrace them. AMEN!

“ David and I began our friendship at Dixie elementary. He was funny, kind and the love of my young life. He was the guy that taught me how to have fun and how to find all the secret places at Dixie. He was so fun loving and had so many good friends. Linda Blackmon, David and I spent most of 3rd grade doing art, making posters and getting out of all school work. I was hooked on David! He will always have a special place in my heart! I love you my friend for showing me the meaning of true friendship. I know you are a Christian. I know you are in heaven and talking with our Heavenly Father. I hope that your family finds peace knowing that you are safe, protected and loved like no other time in your life. See you soon my friend.

Sincerely,
Lisa Bledsoe
