“ So many memories of Dave and Martha come to mind with his passing. Our move to Tyler from St. Louis with the Cotton Belt Railroad in 1954 and the lean times we had in the beginning of our new adventure. Martha could always make several meals with one ham bone and that was a long-standing joke with us. The wonderful week-ends we spent together down in Houston when they lived there, going into the Hummel Gift Shop, always buying at least one and of the Hummels Martha brought us back from her trip to Germany. They had their big Boxer named Mr. Crip and we had Hilda, our five pound Dachshund. We got them around the same time and lost them within a few months of one another. Remembering our wedding and Dave being our Best Man and Martha in our House Party. The long siege with Dave in the hospital and then Martha's turn. And ... the long standing joke with us that Dave's middle initial "W" stood for "Wonderful". All precious memories.  
God's blessing on all.
