“ *Man, what a great leader! He led over 21 generations of young men and directed a few of us in his path as an Automechanic! He was more than a good mechanic. He just knew cars! I'm proud I have some special memories with him! Every time I see an old s10 or a mid 80'S chevy , I smile! He was a great example to follow!!*

“ *Rebecca,*
I am so sorry to hear about David. And I'm sorry I couldn't have been there for the visitation and funeral. My heart and prayers go out to for you and the family. I pray for God's comfort and for healing. One thing I remember about David is that he could walk 18 holes of golf in 100 degree heat while I was ready to pass out from the heat. I'm still not sure how he could do that. Pleas let me know if there is anything we can do. In the meantime, Anna Kathryn and I will continue to pray for you and the boys.

It has been a long time since the days of playing softball with David, mission trips, and youth gatherings at the Sanders house. What a good family you are. Rebecca, I am blessed to have known David, and Rita and I will be praying for you to feel the power and comfort of the Father.

“ Elaine and family, on behalf of our staff we wish God's peace to be upon all of you during this difficult time. We don't know all the reasons this side of Heaven, but we do know He who does. At times like these, only our faith will carry us. Trust and rely upon the One who does all things well.

“ Rebecca, I am so sorry for the loss of your husband. I've only seen you a couple of times in the passed 20 years or so, but each time I was with you, your love for him, and your relationship with him was expressed so beautifully.

I know from where your draw your strength! And that He never fails even when it can sometimes feel such the opposite.

Here if you need me.

“ Rebecca,
Words are hardly adequate to tell you how sorry I am about David. From our days together in the Singles group at GABC, to our kids being born, to our careers at BGC, you have always been a steadfast friend to me.

I admire you so much and know that God will give you the strength to get through this, as I'm sure you have already found.

I am here if you need anything.

Love you much.

“ Rebecca, I am so sorry for your loss. I do not understand why a lot of things happen in life but God always has a plan. He is good all the time. As you already know he is there for you and your sons. You are one of the strongest Christian women that I know. You are in my thoughts and prayers. God Bless You and Your family.

“ Rebecca, Josh and Travis: My heart breaks with yours today. God's love is stronger than anything we can understand. That's why they call our belief in Him faith. Faith will take you through today and today is all you should be concerned with. Tomorrow will be tomorrow's bridge.

I believe that it was David's encouragement, many years ago, that got Wayne back interested in coming to church. It was his quiet coaxing to get him to help with the lights and sound that brought him back to God's house where he knew he should be. I will always be so grateful for that.

Rest in God's arms right now. Each day will bring new challenges and new discoveries and God's strength will take you through them all.

I love you guys!

“ Dear Rebecca :

I have not seen you guys in about 10 years. My how time really does fly. David taught me how to Bass fish. We met at church and he and I shared that passion. I was green and he was a patient teacher. I guess he was not a patient person yet he was with me. I remember the green Skeeter and the old blue pick up. Man did we have some fun.

We are all sorry for your loss though I know David is in Heaven and doing very well as I type this.

I would like to express he was a sweet friend to me, though we have not visited in years, I am glad to have known him.

I love you Rebecca.

“ Rebecca;

I am so sorry to hear about the loss of your husband David. While understanding how difficult this time is, hold fast to your faith, lean on the support of your friends and family, and let the Lord and the prayers of those lifting you up help to provide comfort and peace. I hope you will find some peace in verse Jeremiah 29:11: For I know the plans I have for you declares the Lord, Plans to prosper you and not to harm you, plans to give you hope and a future. While you might not know "how" you're going to make it at this moment, you will find what to do, how to do it and when to do whatever it is as the Lord directs you. My prayers are with you and your sons during this heartbreaking, difficult time.
