“ My brother David, 10 years younger than me, was always a joy to spend time with. I have memories of taking care of him when Mama might be busy around the house. I have a clear memory of David around the age of 4 on Easter Sunday in Ozona. I couldn't say how many times I hid Easter eggs in the yard and he delighted in finding them every time. David was always a fine fella and grew into an outstanding young man with a gentle spirit and kind, thoughtful manner. I celebrate David as a godly man, husband and father. He has gone ahead of us to Paradise in the presence of our Savior and loved ones. David will greet us with his beautiful smile when each of us make our heavenly flight at God's appointed time. Our love and prayers remain for Rayla, Nathan and Lauren knowing that God will strengthen each one and give daily comfort and peace. Kathy (Stiles) Clark

“ I remember David well. As a CEO of Pitney Bowes, I was blessed to have him on the front lines as a person who represented us. He exemplified our highest values in terms of taking care of customers and helping them be successful in their missions. He has left us too early, but he made us proud.

Amen, Mike C. David set an example for us all...personally and professionally. I am a better person and employee from having worked beside him. May God bless his precious family. We will all miss him terribly.
