“*Larita, we are still in shock up here as we know you feel the same. I feel blessed that Randy thought enough of his family up here to drive that awful distance just to come to our annual reunion. We all got to know him and his family because of that long drive and we will never forget him or you guys. Please accept our deepest sympathies and know that our prayers will be with you through this trying time.*

*If there is anything we can do up this way, please just ask.*

*We love you guys,*
