“ Absolutely the nicest, kindest, caring, man of great character & most generous person of time...A gentle spirit...A man of humility. As my audiologist, when addressing some issues with my hearing loss & my hearing aids, David treated me as though he had all the time in the world to address & fix my problem...I knew when I came to see him as a patient, both he and Karen extended caring, knowledgeable hands that assured me I could would have my needs taken care of with never a doubt. What a loss of such a great individual..Such a great person. He will be greatly missed..My deepest sympathy extends to his family and his sweet, caring wife, Karen, who paralleled David's personality and character. I pray God's comfort and love embrace their family closely during their time of grief and loss, and that the joy of knowing they will meet again in an everlasting eternity of togetherness. Thank you David and Karen for your wonderful care during my time of need and for the gift of your friendship. You are so appreciated and I am so blessed to have been under your care and to be privileged to just know the two of you.

We are definitely praying for the family. What a tremendous loss of such a wonderful husband, father and grandfather. David was absolutely the best. He was so caring, kind, compassionate & so generous with his time. He always wanted the best for everyone. We absolutely love he & Karen. They are truly a part of our family. It will be impossible to find another audiologist with all of his qualities. Not only so professional but after many of the appointments, we would spend time on many topics — laughing & yet being very serious at times. WE LOVE YOU

“ *It is with great sadness that we hear of the passing of David. He took loving care of my mother and grandmother for many years.*

One of my favorite memories of David is when he checked my father's hearing. Mom had forced Dad to go, because she said he couldn't hear. David checked Dad's hearing, then opened his office door, and proclaimed to Mom, "Madam, your husband's hearing is just fine!", intimating that Dad had selective hearing, a condition that seemed to afflict many husbands.

Be at peace, David. Our lives were richer because of your earthly presence. Fly high in the Church Triumphant.

“ Our prayers will be with the family during this time. Had only known David a few years. He first fitted my wife , Judith , with hearing aids and then when I was ready for new hearing aids I changed to David. Very Professional and all around great service. If there was a problem he never stopped until the problem was fixed. Will be missed by a lot of people. I usually save this for brothers in arms, but Semper Fi David. God be with all the family.

“ Family of David,
Saddened to hear of David's death from this earth. We did not have occasion to stay in touch, but remember meeting David and Karen about the time they arrived in Tyler, through common friend Gayle Burress. I do know David enjoyed a great reputation a man of character and expertise in his field. A prayer for his family. Tom Brown
