“ I remember, all of those years ago, bringing Laura over to your house and David babysat while I went to work. He was such a great guy and always so good to our girls. I never had to worry about Laura while she was in David's care. He was a very kind man who had a wonderful sense of humor and was always cracking a joke. I don't think I ever saw that man get angry! So many good memories... Donna, I will keep you and Ashley in my prayers and I know that God will wrap his comforting arms around you. There are no words that seem good enough to make you feel better, just know that I care about you and your family and if you need anything at all, I will be there for you.

“ I have a lot of great memories of David from High School. I was on the varsity football team my sophomore year, Steve was a junior, and David was a senior. He treated me kindly and with respect when most of the other older players were strutting their superiority over me because they were older. LOL David was one of the nicest and down to earth guys I knew in high school. I can only imagine what a great husband and father he was. I grieve for your great loss, but I know that he is in a much better place, free from pain and disease, to live forever with his loved ones and his Savior. My prayers are with the family, for comfort and peace and hope. May God comfort you as only He can do! Thanks for letting me share.....
