“ *We are sorry for the loss. David helped me with the Research of the Starr Family tree and the information he had aided me in gaining more of the Starr history. We talked together and Emailed each other. David was one that was willing to help others and share his Faith. May God help each of you through this time.*

“ To the David Weatherford Family:

Your loss is also our loss, and we are deeply saddened by this news. David will always be remembered as a kind, gentle, happy, and loving family man and devoted friend. We thought the world of him, and we are so fortunate to have enjoyed various family celebrations together. David was multi-talented and used his God-given talents in so many ways to bless so many people. We know that David would want us to rejoice in his 'homecoming' and reunion with his heavenly Father.

Our prayers are with all of you now and in the days ahead as you sense the void in your day-to-day lives. We pray that God will strengthen and comfort you all through the next few trying days and into the coming weeks, months, and years. May God be gracious to you.

We love you all,

“ My Doc-

The first day I came into this world, you put me in your harms and I feel a sleep. You told me about my little GOD that loved me no matter what, and that I should love him more than anything in this world! We would fall a sleep together while we watch TV, and did not have a care in the world. When I moved to North Carolina you came to see me, and we talk on the phone because the loved we sharded for each other will always be strong. I will still talk to you up above, and I will still call Granny Celia as we always have. Our pictures of each other will be beside my bed because you are my DOC! Thanks for loving me like a grandchild, and telling me about GOD! I will miss you, and love you till I see you agen up above. All my love to Granny Celia, Darby Gail

“ *Although I met Mr. Weatherford only once, I was left with the sense that this was a man of uncommon intelligence and drive. The light of Christ shined through his encouragement and his warmth.*

I share the grief of the family, but I also share the joy of knowing that David Weatherford now resides in Heaven with Our Lord.

“Granny Celia, Our hearts hurt for you at this time, but we know Doc is with the LORD! Our deepest sympathy goes out to you with all of our love. Doc shared the lord with us, and we shared racing with him. Together we had the lord, and racing in our lifes that made us have a special friendship. He was our number one fan and always gave us words of strength and comfort no matter what was going on. He lead me to know how to have faith with the lord no matter what was going on in my life! Doc told me what was right, and wrong the most LOVING way anyone could. We will pray for you everyday, and we know that GOD will comfort you, and wrap his arms around you. Granny Celia there is so much I want to say but please remember that we love you, and loved DOC deeply with all of our hearts. I wish I could be there with you, but will see you soon! Be strong, and lean on the lord, he will take care of you. I LOVE YOU, Gaylene

Ashley, Jamie, Laura & Macey, I am so sorry for your lose, and deeply saddened! Doc was very special and we loved him deeply. Please take care of our Granny Celia. “Celia, David must have been thrilled to meet Jesus face-to-face at last. He was such a good and faithful servant to the Lord. Life will be hard for you and your sons to face without him, but it will be such a comfort to you knowing that he is with our heavenly father. I knew Doc for only a short while, but I felt he was a friend. I enjoyed your visit with us in North Carolina last summer and hope you will make the trip again this year. You and your family are in my heart and in my prayers.

“ To: Celia, Ashley, Jamie and family

I was totally shocked and saddened by his passing. I could not believe it was true. I cried for many days for the loss of my close friend and business partner. We are working together on a China project. He is a so godly man and trustworthy friend. We have known each other for more than 4 years. He is so talented and capable for many things. I am proud of being his friend. I keep praying for you to overcome this difficult time. Whenever you need help, please always count on me. God bless you! I love you all.
