“ *I lifetime friend has climbed the stairway to heaven! A million memories she has left behind. I'll keep them safe in a treasure box to peek into from time to time and recall all of the silly things we laughed about, cried about, celebrated, honored and endured. A cherished friend until the end. It will be an anxious reunion one day and again we will celebrate our friendship. I will miss you terribly. But I know there's another Angel watching down on us. God bless you and keep!*
