“ *Curtis and family:  
I was most saddened to hear of your loss in Debbie's death. Debbie was one of the first people I met when we moved to Tyler almost 30 years ago. Although your family was much smaller then, she dearly loved each of you. I hope your memories will help your heart to meet the changes in each of your lives. I know she will be missed.

“ *To the Harmon family --  
I know that Debbie will be missed! She and I worked together at TeleCare a few years ago and she was so very proud of her family, which has grown even more since that time. We always enjoyed hearing stories of you kids. Her bright smile would always light up the room and she was a joy to be around! Please know that thoughts and prayers are with each and every one of you during this time ~
