“ So sorry for your loss. Del was a wonderful man and a great car dealer, I had the privilege of doing his paperwork at the Tax Office and I also bought a car or two from him. Missed seeing him after I retired. He was one of a kind. He will be missed by all.

“ Was so happy to have been able to bring Momma and Dad to the visitation. Our family on Terri's mother's side are always there when the tough times come even though there are much fewer of us now. The Perkins side LOVED Del so much as we knew Terri had finally found her sweet SOULMATE. We will miss the love and laughter and continue to support our sweet Terri in any way. We love you baby, Cousin Michael, Aunt Joyce, Uncle Billy, Uncle Charlie, Cousin Billy Dale and Aunt Cathy and the Bretons from West Texas and New Mexico.

“ Delbert was everyone's friend. We met him when he was 13...along with the Higgins brothers and my brother and sisters. We hung out in the neighborhood park, swam and water skied at Lake Tyler's sandy beach. We had a large airplane inner-tube...we all piled on. We were laughing so hard, we turned upside down...our legs were tangled...we almost drowned ourselves. We jumped back on, again and again....so many good memories with Del. He was a family man and loved his children dearly. The last time we saw Del he was so happy...he told us "Terry is the love of my life"... he is truly "one of the good guys"....Del will be missed by many!

“ *I grew up with Del. Del was my cousin. My mother and his mother were sisters. We always spent Christmas at their house or ours. I spent many summers with them growing up. We were like brother and sister to each other. Del will forever have a special place in my heart. But, his life will continue in me with all the memories we made growing up together. I love you Del, you will always be the brother I never had. Your cousin, sister in heart, Judy*
