“ *My sweet sister...
Delores touched and warmed the hearts of everyone she met. Her gift of making us all feel special continued to the day of her passing. Delores also had the unique ability of caring for others. Her love was not limited to family and she never met a stranger. All of us who knew her will forever be a better person. Delores will certainly be missed but never forgotten.
I love you Delores, your little brother, Larry*

Larry Folmar - April 10, 2019 at 01:10 PM

“ Dolores was the 1st granddaughter and I (Gene Garrett) was the 1st grandson, she was born 5 years after me. The 2 of us had it made as kids! The aunts and uncles and cousins and parents used to get together a lot until we got older and married and started our own families. Many good memories. My heart goes out her family.

Cousin Delores, or as I called her Aunt Delores❤️ Always had a smile on her face that just lit up a room . She had the most loving and giving heart. I will cherish all my childhood memories but I will miss our meeting in Walmart talking for an hour or more and laughing so hard we would look over our shoulders to see who was looking at us . No doubt your a shining star ✨ in heaven . Love and will miss you dearly .

“ Delores has been a friend since childhood and her sweet smile could light up a room. My favorite memory was also the last time I saw her. It was at a high school reunion and I had not seen her in many years. She ran up and squealed, “Cathy, I’m not shy anymore!” No your not, Delores. In fact, you are shining brightly. Love you, Sweet Friend.
