“ *I am very saddened to learn of your loss. My mother, Loretta, is a first cousin to Marsha and Michael, but unfortunately she had lost touch with them over the years. My grandfather was William Fay James, a brother to Sherman. Mom received a phone call just this evening, from a friend who grew up in Horatio, telling her the news. Please accept our condolences. I had been attempting to locate Marsha and Micheal for several years and I'm sorry this is how I finally am able to make contact. You will all be in our thoughts and prayers.*

*Sincerely yours,

“ *I was so saddened to hear of Mike's passing. He always had a kind word and ready smile whenever I would see him during my daily walks in ELW. Rest in peace, my friend.*

*Dear Tina and family. We hear of the passing of Mike with great sadness. Mike was the only one to share his "catch" with us when we were ELW neighbors. He delivered the fish neatly arranged in ziplock bags ready for us to enjoy. His contagious smile was his trademark. If there is fishing in Heaven, he will be directed at the helm of the boat and teach them all how to reel in a great catch. Prayers and condolences.
