“ *Diana was a great friend and co-worker. She was good at her job and went out of her way to offer her assistance when I needed it. She also took care of her co-workers in their times of trouble.*

I hope that you find peace in her memory.

“ I was so saddened to hear of Susie's passing. My greatest memories from junior high through high school were at the Keeton home. The entire family made me feel as though I was the 5th daughter. May God bless all of you during this most difficult time.
