“ I was saddened to hear of Don's death, and offer my deepest sympathy to Molly. I knew Don since 1974, and had the pleasure of working for, and with, him over the years. He was always a gentleman, and I believed always did his utmost to do the right, and proper, thing. Don was always thought of as being the best claims technician, and the one that was called upon when things needed to be accomplished. The insurance claims industry has lost a giant. We will offer our prayers for the family.

“ Dandy was a great grandfather. Even when I was at a young age, he was teaching me what was right and wrong. I loved him dearly, and I miss him very much. I know he is in a better place. I will always remember and love him.
