As a 31 year veteran of Gardner Denver I had a lot of contacts with Don at company meetings & several times played golf with him. Don was a good man. My deepest condolence.

My deepest sympathy and condolences to Don's family. Don was my manager here at Gardner Denver in Quincy, Illinois during the late 1980's while I was Manager of Customer Service. He was a "true gentleman" who treated everyone with kindness and respect. The world will be a sadder place with Don's passing.
