“ *Don McKeehan will always be remembered as an intelligent and kind gentleman. At CB&I he brought discipline to the engineering group and provided guidance to all that looked to him for help. Don welcomed anyone who needed to talk to him. He will certainly be remembered and greatly missed by many.*

Thanks for the guidance, Don.

“ *My most vivid memories of Don are of him wearing a light gray suit (always a sharp dresser) and happy and teasing dad. My thoughts and prayers are with you and yours.*
