

Doris Schrock

August 19, 1929 - May 8, 2006

Services for Doris Ellen Schrock, 76, Tyler, are scheduled for 10:00 A.M., Saturday, May 13, 2006, at Stewart Family Funeral Home Chapel with Rev. Dan Tidwell officiating. Entombment will be in Las Vegas, Nevada at Bunker Mortuary. Mrs. Schrock passed away Monday, May 8, 2006 in Tyler. She was born to the late James L. Tidwell and Clara M. Smith on August 19, 1929 in Stamford. Doris grew up on farms in the rural area around Hamlin, Rule, and Sagerton. She attended schools in all of those towns. She lived 23 years in Las Vegas, Nevada then 12 years in Coos Bay, Oregon before returning to live in Texas in 1996. She lived in Tyler for the last four years moving from Richardson. Doris loved to sing. She grew up singing gospel with her siblings; she even made a country album, under the label of Aldoris Records, in Nashville, TN in 1990. She was a member of, and part of the choir at, Green Acres Baptist Church. Doris, also known as "Granma" or "G-ma" to her grandchildren, loved spending time with her family and sending greeting cards to everyone she loved across the country. Birthdays and every holiday were very important for Doris. She loved decorating and was known for her creativity. She collected photos of everyone and displayed them proudly throughout her home. She took time to collect shoes, bells, barbie dolls, wedding dolls, and Bradley collectable plates. Most importantly she enjoyed receiving mail and phone calls from those she loved, and spending time with her little dog Gidget. Mrs. Schrock was preceded in death by her husband, Andrew J. Schrock, and brother, Travis Tidwell. Doris is survived by her loving

family including her daughter, Gloria Borelli of Denton; son, Darrel Schrock of Tyler; granddaughters, Dorise Nall of Corinth and Siara Schrock of Tyler; grandsons, Andrew D?Anna of Denton, Dustin and Skyler Schrock of Tyler, Justin Nall of Corinth; great-grandson, Thatcher Nall of Corinth; brother, Dan Tidwell of Oklahoma; and sisters, Vida Glover of Abilene, Patsy Blakey of Colorado, Joann Turner of Tyler, and Sherryn Smith of Paradise. Pallbearers will be all her grandsons. The family will receive friends from 6:30 - 8:00 P.M. on Friday at Stewart Family Funeral Home, 7525 Old Jacksonville Hwy, south Tyler 75703.

“Doris and I enjoyed singing gospel songs together. I always loved her happy spirit and joyful attitude towards life. When she resided here in the Coos Bay area we often met on Sunday evenings to sing with friends. I met Doris through my friend Deborah Wilson and her involvement in the Christian Singles. Over the years my relationship with Doris grew and deepened. I was happy to be able to visit her a few years ago in Tyler, TX. That was a very memorable week when Doris and I had an opportunity to share our hearts more deeply with one another. My visit with her also made it possible for me to visit my daughter's graduation from the Teen Mania Honor Academy and my brother who also resides in Tyler, TX.

Since that time we have telephoned and corresponded regarding her health issues. I am deeply sorrowed at the loss of my friend Doris, but I am also comforted that I will see her again in heaven when it's my time to pass on to the other side. I am comforted that she is no longer in pain and now has the opportunity to sing with the great choirs of heaven, which I know she will enjoy!

“Doris was a Beautiful person inside and out. She loved and accepted people unconditionally and reminded them with cards for every Birthday, Anniversary and Holiday. No one else that we know has gone out of their way to be so thoughtful. She is now in a most beautiful place, so beautiful that we cannot imagine it with our mere human imagination.

To her Dear Children, Grandchildren and Family.. You're in our hearts and prayers.

May your sorrow be replaced with beautiful memories.

Blessed are those who mourn, for they shall be comforted. Matthew 5:4

“ *Philippians 1:3 I thank God for every remembrance of you.*

Doris was such a huge part of my family's life. When we moved to Las Vegas in 1981 Doris and Andy were not just members of our church, but became members of our family. They were like grandparents to me and my siblings. I have so many wonderful memories of Doris! She will always have a special place in my heart. God has been so good to my family by placing his saints in our path. Doris will forever be one of those saints. Thank you Doris for so many things, your steadfast faith and love of Christ, for your witness, your shining example of loving your neighbor as yourself, your generosity, kindness and hospitality. You will always be an example to me. I know that right now you are in heaven there in God's choir with the angels singing your heart out. Till I see you again, so long my friend, so long.

“ *Gloria and Darrel and Families;*
I am so sorry to learn of the passing of your mom. She was a very very good customer on mine. I worked at Big Lots on S. Broadway for a few years and she was a very valued customer as well as becoming a valued friend. We spent many many of her visits chatting about church and her little dog Gidget. She was a sweet lady. I had invited her to my wedding last July but unfortunately she was not able to attend. I am not a youngster so she and I had a lot in common. I missed seeing her after quitting but did see her from time to time in other stores and enjoyed the time we spent visiting. I thought of her often. She will be missed. You were very lucky children to have such a caring and giving mother. My thoughts and prayers are with you as well as my church family whom I have already contacted of her passing.
Again my condolences;

“ *Doris and her family were our next door neighbors in Farminging, NM. Through the years as we shared our ups and downs, I learned from Doris that happiness is good. The place to be happy is here. The time to be happy is now. The way to be happy is to help make others happy. A true friend is forever a friend and Doris was that. Look up: Doris is very happy now. Our love and prayers for her family.*

“ *Darrel and Gloria,
I was sad to here the news of your
mothers passing.
I have many great memories of her as
we were growing up.
She was always smiling and upbeat and
softspoken even when we got caught chewing tobacco!
Your Mom was also good at staying in touch with my mom and I
looked forward to the yearly updates she would give to
her. My prayers are with you as I know
this is a very difficult time for you and your family. Respectfully, Dale

“Doris was a very special person in our lives during the years we pastored Twin Lakes Baptist Church in Las Vegas (1964-1979). She was a vibrant part of Anne's Sunday school class, making a huge contribution to the lives of many ladies and their families. She also was part of the choir (as many have said, she loved to sing), and if we needed to know something about someone's need, we could count on Doris to know. Doris was definitely a people person - we loved her, and her willingness to help. We are so very sorry for her death, and yet we know that she's with the Lord, and is pain-free and happy. She's "singing again!" Our love to you all.

“Gloria & Darrel, I was saddened to hear of your mom's passing, but am rejoicing, knowing that she is with her Lord and Savior. I can't help but smile as I think back on all the memories of times at church and at your house when we were young. I especially remember Gloria & I sitting at your piano practicing for a special music for church at laughing so hard we were practically falling off the piano bench. Doris was right there, laughing with us. I also remember her as my Sunday School teacher sharing insights that I have never forgotten. I remember her as a mom who loved her kids and opened their home to all of us. It will be fun catching up when we meet in heaven.
May God just wrap His loving arms around you and comfort you both - and your families - as you mourn her passing. His strength is perfect to get you through this. Much love to you.....

“ Darrell and Gloria...
I wanted to join everyone else in sending the condolences to you
both. I have had a long history with your family, between going to
church with you, coming over on Sunday afternoons so I could be
around Gloria, having Doris cook a wonderful lunch and treat me
like one of her own, to working with your Dad Andy out on the oil rig
for a year. What precious and wonderful memories I have of those
years and how thankful I am to have gotten to share your mother's
life with both of you. I can still picture her in my mind just like she
was back in the 70's...singing praises to God and being everyone's
friend. I wish I could be there to mourn her passing and celebrate
her reunion with Jesus. God Bless you both during this time in your
life and look forward to the day when all of us are reunited in
Heaven.

“ Dear Darrel and Gloria and Family. We share in your sadness at the passing of your Mom. Please know that we will pray for you All in the days to come. Doris will truly be missed by all she came in contact with. She meant so much to our whole family. She had such a genuine way of reaching out to us on holidays, special events and even sad times we've have been through. The most peaceful thought that I have is that she is now free of pain and I just bet she is passing "confetti" or a Hallmark card to her new friends in Heaven!
God Bless you all! As always, we are here for each of you.

“ How would I begin to even pay tribute to my Aunt Doris. She was a neighbor to me in Las Vegas when I was 14 years old. In those days in Las Vegas we were always from somewhere else. There weren't too many people born there, so we adopted families. You adopted me and have loved me more than anyone on this earth. You led me to the Lord at age 15. Now as a woman of 57 I have children and grandchildren that know the Lord. Someday we will be in heaven together. I talked to her 2 weeks before her death and also 2 days before. She told me how they say blood is thicker than water, but not in our case. She had a way of making me feel special no matter what. She was there when I graduated, got married, had babies, lost my parents and all of the other things life throws our way, but always with a smile, or encouraging word. I will miss her infectious laugh. We did that often together over the phone. In only a few weeks I was to have gone down to see her. Now it will have to wait until I get to the place she told me about as a young girl of 15. My heart is comforted today as in other hard times with the song she taught me, IT IS WELL WITH MY SOUL. Love you forever,
Linda

“ Dear Darrell and Gloria, Sorry to hear about your mom passing. We have been friends for many years while serving together at Twin Lakes Baptist Church; and following her from state to state, we have kept in touch all of these years. I could always look forward to a card or gift from Doris for every occasion. Especially the cards and letters with the confetti cut-outs. Eileen's children especially liked to watch the confetti fall when I opened the cards. I was so glad that I got to see Doris last year, while I was visiting the Jackson family in Texas. She has been a good friend through the years and will be missed very much. Our prayers are with you and your family. Till we meet again. Love, the Levell Family

“ I knew Doris only a few years, and unfortunately, was unable to spend much time with her. Even so, I was able to discern that she was a very special person, and those who spent much time with her should know they were blessed for it.
Thank-you for posting this site for her. I still have not met her children, and hope it may still happen?

“ Darrel..... Tinkie and I just wanted to express our deepest sympathy to you and your family in the loss of your Mother. What a wonderful lady she was as I sat through her service Saturday and learned even more than I ever knew about your Mom. The countless friends and family members who got up and spoke about your Mom only solidified how great a person she was. She is in a better place now and I'm sure that God is enjoying her company. If there is anything I or we can do for you or your family, just let us know. I'm always here for you brother, don't ever forget.

“ We remember Doris with great fondness and were sad to hear of her passing. She was such a great listener when Kathy was a teenager, trying to sort through life's challenges, and gave great advice! She was such a beautiful lady, inside and out, and we knew she really loved us. One way she demonstrated that was by volunteering to do the decorations for our wedding reception. She provided all the supplies, did all the work! We didn't realize at the time what a huge gift that was. We are grateful to have known her... and look forward to seeing her again.

“ Gloria & Darrel, there are no words to express the loss of Aunt Doris to you and all that loved her. She was a great influence on all that knew her and appreciated as the woman she was. I know in my life, she was always there for me when it seemed no one else was. She truly made a difference in my life and the lives of my children, and the lives of my nieces and nephews. She will be greatly missed by all that knew her and loved her. You had a great mom that will be loved and respected forever and we will see her again on the other side. Karen

“ Dear Gloria and Darrell: Words cannot express how much we loved Doris. She has been a good friend to us since we were in Las Vegas almost 30 years ago. She remembered our birthdays, anniversaries and other occasions with cards and letters and called us regularly. She was such a lovely and sweet person. She will be missed by many people and particularly by my wife and me. Thanks for letting us know that she is now with God and I know that He will make good use of her compassionate and caring nature in her new home. We'll be praying for you as you take care of all of the personal details resulting from her passing away.
Call us if you are ever in this area or at any other time.

“ When Doris first visited our church I met her in the hallway and we exchanged names and suddenly we were friends. We loved music and a lot of things we had in common. I had tried to get her to sing a duet with me because she had a lovely Alto voice. We never did get it accomplished but she told a friend of mine the last time they spoke that we would do it yet. She is singing now like she never sung before and God and His angels are rejoicing at her presence.

“ Doris and I have been friends since 1953. We shared many good times together in the oil patch. My Dad and Andy worked on the same rig in Colorado when we first got acquainted. She was a good influence in my life when I was a young single Mom. I so enjoyed visiting with her last summer when I was in Tyler.

We always kept in touch and yes I will miss her and all her wonderful cards at all the holidays. I know she is in Heaven with OUR LORD and walking those streets of gold. Gloria and Darrell, I am sorry for your loss. Much love to you.
