“ *Mamaw was a bright shining star of a woman.... I loved going to Mamaw and Papaw's house for Christmas and Thanksgiving.....we ate, laughed, fished, and snuggled. Eric, Cien and I would play at Aunt Joanie's house in his huge mess of a play room, then go back to Mamaw's for treats and movies.....I'll miss you Memes..... You are the sweetest, most loving Mamaw a girl could have.*

“ *I shall always remember how quick you were to smile and laugh. And to make sure everyone around you was happy and taken care of. You had a kind, gentle, loving soul but a spine of steel. A stronger woman I've never seen. I'm sure you're with Dad now, happy that you are together again. You will live on in our memories. Love, Sandi*

“ *Mamaw, you were the best grandmother and great-grandmother that anyone could ask for. You always made sure I knew how special I was as your only granddaughter. I am so thankful that my children had the privilege to know and love you as their great-grandma. They sure loved their Mamaw. Chatting with Riley and Taylor. Playing endless amounts of legos with Jasper. You were a treasure. Your smile could never be beat. Whether it was of pure joy or letting someone know exactly what you thought of them. We will miss you more than words can convey. I am happy to know that you are at peace and without pain. We love you. You were perfect.*

“ My Mother was a beautiful person inside and out, When our father left his family, my Mother refused to let me leave school so I could go to work and help provide. She worked all her young life to provide us with an education, clothes, and lots of LOVE.

“ We will miss you meme. I will always remember the times we went fishing down at the barn and all the times we worked side by side in the shop. How she would be someone for faith to talk to. Or lets not forget the meme that I would catch shooting nerf guns with Gavin (in the house). We love you meme, Eric, Gavin, Faith & Ryder.

“ I love you very much and miss you. You were not only my mom but my best friend and I miss having you here with me. I know you're happy now and I will see you one day. I will always remember what you told me at the end, you said you saw me walking down the isle toward you in heaven but it will be several years from now. I will always remember that and I will see you soon. I love you mama
