“ While Mrs Patrick's, Memaw's, talents were crocheting & cooking, her Spiritual Gift was serving. Even though her hands were arthritic she found great Joy in making gifts for others as she would use the crocheting needle. While she had great pain in her back she would stand over a hot stove & oven preparing meals for others. When she would see the delight in others' faces as they enjoyed the dishes she'd prepared, her Cup of Joy would overflow. Memaw lived in the Spirit as she walked with the Spirit. Her Legacy left behind for others was a giving & caring heart as she was led by the Holy Spirit. She was & is Eternally a True Lady of God. May we continue her Legacy of being the hands & feet of Jesus as we serve others through our God-given talents, overflowing with the Spiritual Gifts God has placed within our hearts. Amen
We are looking forward to being reunited, along with The Lord!!!

“ A beautiful person inside and outside. Always had a smile and a good word for you, For sure an Angel sent from above. I worked with her husband (Pat) for several years and they would invite me to their home and to other occasions. She was a fantastic cook. It was always a blessing to be with the whole family. They raised their children the right way. Good, honest and decent family. She will surely be missed by those who knew her. I'm sorry to say that I hadn't seen her for years and it brings tears to my eyes that I didn't take time to visit her. Dorothy you were certainly loved by those who knew you.

“ The sweetest woman I've ever known. I'll never forget how soft and soothing her voice was or how much patience she had. I'll always remember how much she loved her children, how she never had anything negative to say about anyone and that FABULOUS chocolate cake she made. She wrote down the recipe for me and I make it for my family a couple of times every month, but mine never taste as good as the ones she made. I believe she held the record for the number of times a car drove through the window of Mr. J's and ordered 2 cherry vanilla Dr. Peppers. I know she had to be one happy woman when I finally got my drivers license and she didn't have to haul Karen and I up there every day. I loved, admired and respected Mrs. Patrick and will never forget her.
