“ My deepest sympathy. I am touched and saddened by your loss and  
hope that it helps a little to know you are loved by so many friends. I  
hope there will come a time when you will stop remembering that he  
died and instead remember that he lived. A verse I read says it  
best.. "A life well-lived doesn't end any more than music ends...  
it echoes through time with whispers of beauty and grace...  
If we listen we can hear the encore with our hearts,  
for the song plays on, just as love lives on."

“ Dear Peggy my heart goes out to you and Todd,I have been through it as well.My advise is to take one day at a time and don't think about the future. When I was having such a hard time a friend told me this. I honestly don't know what would have become of me if I hadn't started doing this.God will put a veil on you and Todd to get through this.Please call any time day or night.

Always,

“ Peggy and I were best friends during school years. Her whole family has played a special part in my life. We spent lots of fun time together. We have not kept in as close contact over the years as I would have hoped for: however, I just visited in their beautiful home a year or so ago. They always had a special place in my heart. Dwayne has always been "MR BREADMAN", he was such a hard worker and very dependable at his work. You could count on bread being there when you needed it. Dwayne was a sweetheart, a loving dad and husband, I will miss him. May God bless and comfort Peggy and Todd with a special touch. I love you both. Debbie
